

CHILDS GETS SICK CROSS, FEVERISH IF CONSTIPATED

"CALIFORNIA SYRUP OF FIGS"
CAN'T HARM TENDER STOM-
ACH OR BOWELS.

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish; stomach sour.

Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is often all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company."

Mrs. Henry R. Palmer Attending Banquet of Porter School Alumnae—Fine in Assault Case.

Mrs. Henry Robinson Palmer is in New York attending the annual banquet of Delmonico's of the alumnae of Miss Porter's school at Farmington. The school began in a small way in 1844, centering around the personality of Miss Sarah Porter, a sister of President Porter of Yale. This woman gave practically her whole life to the school up to time of her death in 1900, at the age of eighty-seven. Her fame as a teacher, as it became more widely appreciated, drew to her increasing numbers from which she selected the best material. In its long history Miss Porter's school has probably exerted a greater influence on American womanhood than any other educational institution. On Miss Porter's death, her nephew, Robert Porter, kept, for years principal of Norwich Free Academy, became trustee of the school, which, since his death, has been under the administration of Mrs. Porter, who was a pupil of Miss Porter.

Increase of Wages in Aldrich Bros. Mill, the Third Within Six Months—Mr. and Mrs. Everett Salisbury Go South.

There is to be an increase in wages in the Aldrich Bros. mill to go into effect Dec. 4. Nothing definite has been reported as to the amount but a ten per cent. raise is expected. This makes the third increase in wages in the past six months, the other two being a ten and five per cent. raise.

Mr. and Mrs. E. E. Duggan left Saturday morning for Jacksonville, Florida, where they have made arrangements to spend the winter.

Mr. and Mrs. T. E. Main and Mr. and Mrs. J. J. Main left for New York, N. Y., on Friday, to attend the annual convention of the E. E. Duggan Co. in New York City.

Mrs. Mary Smith is visiting her daughter in New York.

"Only 'Gets-It' for Me After This!"

It "Gets" Every Corn Every Time. Painless. Nothing More Simple. "I'll tell you what, I've quit using the 'Gets-It' for corns. I've got a package out of my toes with bandages and contraptions—quit doing with 'Gets-It' every time. Give me 'GETS-IT' every time!"

When You See These Pretty Girls in Your Dressing Room It's a Good Time To End Your Corns.

That's what they all say the very first time they use "GETS-IT." It's because "GETS-IT" is so simple and easy to use that it is in a few seconds—because there is no work or corn-pulling to do, no pain that shoots up to your heart. It gets your corns off your mind. All the time it's working—and then, that little old corn peels right off, leaving the clean, corn-free skin underneath—and your corn is gone! No wonder millions prefer "GETS-IT." Try it tonight.

"GETS-IT" is sold and recommended by druggists everywhere, 25c a bottle, or sent on receipt of price by E. Lawrence & Co., Chicago, Ill.

Henry Cyrus Brown, Native of North Stonington, Compiled Brown Genealogy—Check for Firemen From Watch Hill Fire District—Horse Has to be Shot, as Result of Automobile and Furniture Van Collision.

Henry Cyrus Brown, senior deacon of the Calvary Baptist church, observed the eighty-seventh birthday Thursday, at his home in High street, the residence of his daughter, Mrs. George H. Utter. He was at home to a number of relatives and intimate friends and received many congratulations and floral tributes, including a basket of eighty-seven chrysanthemums from Mrs. John Loveland, a member of Calvary church, who celebrated her eighty-sixth birthday last Monday. Mr. Brown is remarkably active in body and mind and devotes his time to genealogical work. Nine years ago he completed and published "Brown Genealogy of Many of the Descendants of Thomas, John and Eleazar Brown, Sons of Thomas and Mary Newhall Brown, of Lyme, Mass., 1628-1907." In 1910, Mr. Brown published the "Genealogical Record of Nathaniel Babcock, Simeon, Main, Isaac, Main and Ezekiel, Main, and in 1915 he published volume two of "Brown Genealogy," part two being devoted to many of the descendants of the Browns of Rowley, Mass., 1647-1915. He is an active member of the New England Historic Genealogical Society, of Boston.

Cyrus Henry Brown, is son of Cyrus W. Jr., and Elizabeth S. Babcock Brown, and was born in North Stonington, Nov. 24, 1829. On March 23, 1856, he married Sarah Catherine Maxson, in Ashaway, and she died in Westerly, October 1, 1887. He was educated in the public schools of his native town, and in private schools for three years, and is the oldest living graduate of the Connecticut Literary Institution at Suffield. He taught for six years in the public schools of Connecticut and Rhode Island. In 1860, with Mrs. Brown, he moved to Brighton, Mass., and was a merchant in Brookline and Boston, until May, 1897, when he moved to Westerly. Mr. and Mrs. Brown and their six children were members of the Brighton Avenue, Boston, and for twenty-two years Mr. Brown was superintendent of the Sunday school. His brother, John H. Brown, resides in Westerly, and another brother, Benjamin W. Brown, resides in Prairie City, Iowa.

Harry F. Cook, a native of Westerly, graduate of the high school, and Brown University, and then specialized in social welfare work, and kindred service, is now located in New York. At the annual session of the Rhode Island State Conference for Charities and Correction, held in Providence, Mr. Cook was elected assistant secretary. The other officers elected are:

Dr. Norman M. McLeod, of Newport, president; W. H. P. Faunce, president Brown University, vice president; George Arthur J. Fay, of Westerly, secretary; Judge Darius B. B. of Newport, Charles Perry, of Westerly, Charles E. Rockwell, of Bristol, Rt. Rev. James D. Wolf, of Providence, bishop of Providence Episcopal diocese. Mr. William J. Condon, of Providence, Mr. Rowland C. Hazard, of Peace Dale, Rev. Edward Higney of Newport, Stanley Hughes of Newport, Charles E. B. of Westerly, and Thomas of Newport, secretary; Miss Edith Nichols, of Providence, treasurer.

At the session a resolution was adopted asking the general assembly to authorize the governor to appoint a physician in each county to examine persons brought before the courts, and to report the findings to the court before trial. The resolution indicates that at times individuals who have committed serious overt acts against life, property or public peace, are sent to the state prison, and are sometimes for months preceding trial; the proceedings costly to the state; that the subject persons suffering from mental disease to such confinement as is meted out to criminals, is an unnecessary, unenlightened and inhuman procedure.

At the annual meeting of the Rhode Island Sunday School association, Dr. Edwin Whitford, of the Pawtucket Seventh Day Baptist church, was elected a member of the executive committee. These officers were elected: Rev. William D. Brown, president; Arthur P. Johnson, Rev. C. E. Silcox, vice presidents; William H. Derby, secretary; William H. Derby, treasurer. Allan Peacock, brother of Rev. Joseph L. Peacock, of Westerly, was also elected to the executive committee. The officers were elected by a vote of 100 to 0. The annual banquet of the Summer School Alumni was also attended.

Chief Engineer Samuel G. Cottrell of the Watch Hill fire district has received from the Watch Hill Fire district, a check for \$50 to be delivered to the district. The check was a recognition of the services rendered at the Watch Hill fire. The apparatus of the district was destroyed by fire, although the chief, some of the assistants and members of other local companies assisted in fighting the fire. Four lengths of hose were burned beyond repair, the firemen being forced to retire from the burning building by the intense heat, and were unable to haul the hose, having barely time to escape with their lives.

As the two Mystic firemen, Bilven and McKee, who were severely burned, are not eligible for benefits under the Rhode Island or Connecticut firemen's laws, the Watch Hill Fire district has also sent \$50 each to the Hoxie company of Mystic and the Barber company of Pawtucket.

On West Broad street Thursday afternoon an automobile owned and operated by Henry Walton crashed into a two-horse team owned by Robert T. Barnes. Mr. Barnes was moving a load of furniture into a house, and the rear wheels against the curb and the horses at a standstill heading paraded the team, and the horse, in a room for a vehicle to pass. It was raining hard at the time and it is possible that Mr. Walton did not see the team as he was driving. Both horses were knocked down and a hind leg of one of the horses was broken. The pole of the wagon penetrated the radiator of the automobile and the headlights and windshield of the automobile were broken. A man named

OUTCOME OF CAMPAIGN IN RUMANIA DOUBTFUL
Rapid Approach of Midwinter Operates in Favor of Rumanians.

London, Nov. 23, 3:47 p. m.—It is for Hindenburg to foot up whether the gains of the German army in Rumania pay for the losses sustained on the other fronts by the withdrawal of divisions to operate there," said Maurice, the French chief director of military operations of the war office in discussing today with an Associated Press correspondent the latest military developments.

"It is impossible and foolish to prophesy the outcome of the German campaign in Rumania," continued General Maurice, "but I can say the first efforts to cut through by the way of Predeal Pass have been a failure. Since that time the Germans have been to go a long way around, thereby giving the Rumanians time which they need."

"The Germans have a long line of communications to defend, while the rapid approach of mid-winter operates in favor of the Rumanians."

"It will not undertake to say whether further successes by the Germans in that area might compensate them for other losses. Since their venture in the Predeal Pass has failed, the French and the Italians took 6,000 prisoners, while we gained a considerable victory on the Ancre with 7,000 prisoners and the Italians took more ground on their front as well as 5,000 prisoners."

"I have just returned from a visit to the scene of our late success and can assure you we captured everything we set out to gain despite the official German communiqués asserting that we had much greater objectives in view."

RHEUMATISM
Physician Believes a Genuine Remedy for Rheumatism Has Been Found.

Rheuma, the wonderful rheumatism remedy sold by Lee & Osgood and all druggists, gives quicker and more lasting relief than other remedies costing many times as much.

Rheuma passes the deadly poisonous secretions into the bowels and kidneys, from which they are quickly thrown off in a natural, healthy way.

Read what a reputable physician says about Rheuma: "I have made a most careful investigation of the formula employed in the manufacture of Rheuma, and I heartily recommend it as a remedy for all forms of rheumatism. I find Rheuma far in advance of the methods generally employed in the treatment of rheumatism and altogether different in composition from the remedies usually prescribed."—Dr. Lyons.

This should give any sufferer from rheumatism confidence to try Rheuma.
